

# Grower Membership

## DailyGrain is WA's leading grain price discovery and management provider.

More than just an SMS, every day we equip our members, whether they're in the office or paddock, with the right information and tools so their grain marketing decisions can be made with confidence.

Sign up to your DailyGrain subscription now and enjoy;

- ◆ More value
- ◆ Greater convenience
- ◆ Improved integration

## Our easy to use website focuses on three core areas:

### Prices

All things price related from the day's cash and pool prices to historical charts and market news and information.

### Deliveries

Our link with LoadNet® allows you to chart and view loads as well as contract and nominate.

### Sales

Plan and manage your sales strategy right from production forecasts and sales targets through to contract record keeping.

### Convenience:

Our website is optimised to run on tablets, and with our mobile app Premium members can access live prices and handy features.

### Membership Options:

DailyGrain offers two membership levels, **Basic** and **Premium**, which run from the 1st of March through to the 28th of February the following year.

## Membership Comparison:

### Cost:

Premium membership: \$350+GST

Basic membership: **FREE** for CBH shareholders
