HOW TO GUIDE: LoadNet Fertiliser Booking calendar

We've upgraded LoadNet to allow growers and transporters to make quick and easy online bookings for collections from all CBH Fertiliser sites.

ACCESSING THE BOOKING CALENDAR

Simply log into LoadNet® from the CBH website and enter your PAN and password.

Growers

Navigate to 'Contracts', then clickon 'Fertiliser Booking'.

Transporters

Navigate to 'Fert Outturn Bookings' on the left menu, then click 'Fertiliser Booking'.

New Collection Booking

Growers & Transporters

- Click 'New Collection Booking' and select the 'Contract' you wish to collect.
- 2. Select your preferred collection date and site. A (day/week) calendar will then appear showing available slots.
- 3. Simply click 'BOOK SLOT' and enter details as prompted.
- Once your booking is confirmed, a 7-digit booking reference number will be emailed to the grower and transporter (if applicable). This will be required upon collection.

CBHDomestics

The CBH Domestics app has been upgraded to support liquid and granular fertiliser movements to and from Kwinana Fertiliser Terminal.

These changes are integrated with the Fertiliser Booking calendar, giving you greater control and visibility over the whole fertiliser collection process. For

more information visit: cbhgroup.co/domesticsappFERT

DOWNLOAD AND SET UP YOUR CBH DOMESTICS APP

The Domestics app is available for Android (Samsung, LG, etc) and Apple devices. For Apple devices, you will need a minimum operating system iOS 12.3. For Android, the earliest version supported is 5.0 (Lollipop).
