

# Life Saving Rules

Our Life Saving Rules are designed to protect your safety.

Breaching one may result in disciplinary action up to and including termination of employment.

## Motor Vehicles

### Mobile phones

Hand held operation of mobile phones is not permitted when driving a vehicle.

## Confined Spaces

Do not enter a confined space without an approved Confined Space Entry Permit.

## Work at Heights

### Work outside walkways or platforms

Do not work outside a walkway or platform without an approved fall prevention system in place.

## Areas Under Fumigation

Do not enter a grain storage or any area under fumigation unless authorised by a Licensed Fumigator.

## Plant & Equipment

### Isolation of Energy

Do not work on or enter any plant and equipment which has not been isolated from all sources of energy unless specifically permitted by an approved procedure for testing, commissioning or hygiene purposes.

### Mobile Plant

Do not enter an exclusion zone without three step protection in place.

*Note: Three step protection is defined as: the hand brake on, vehicle in neutral, and operator has hands off the controls.*

## Drugs & Alcohol

### Illicit Drugs

Do not bring, use or be under the influence of illicit drugs on any CBH premises.

### Alcohol

Do not undertake work activities on an operational site with a Blood Alcohol Concentration above zero.

**Our safety vision is that we all return home safely at the end of each working day.**
