

2021/22 Grower Freight Rates

Destination Freight Charges for 2021/22, as at 1st Dec 2021

2022 Season's estimated freight rates below may be revised during harvest to reflect any significant changes to the expected delivery patterns, rail access, fuel prices and availability of transport resources.

Growers who 'nominate' their grain for sale between 1 October 2021 and the February 2022 invoice date will be invoiced freight charges using the finalised February 2022 freight rates. Nominations after this date will generate separate invoices on a monthly basis.

Geraldton, Albany & Esperance Ports have Port Freight Distribution charges, averaging Depot charges and are for Growers ONLY; not Marketers.

Some sites may not open during harvest. Please check with the Area Manager for confirmation.

Grower Freight Rates are quoted in \$/tonne and exclude GST.
