- 12.6.1 that **You** are solely responsible for ensuring that **You** or **Your** carrier, Agent or Transport Operator complies with all relevant mass limits prescribed by HMMS, legislation or regulation for the vehicle used and **You** will take all necessary steps (including unloading of any mass in excess of those prescribed limits) to ensure compliance; and
- 12.6.2 to indemnify and keep CBH indemnified against all expenses, Loss or Damage incurred by CBH and all actions, claims and demands which may be made against CBH, that arise in relation to **Your** non-compliance with any maximum mass limits prescribed by HMMS, legislation or regulation for the vehicles used by **You** or **Your** carrier, Agent or Transport Operator to deliver Grain to or from a CBH Site. This does not apply to Loss or Damage caused by CBH's Gross Negligence, Wilful Misconduct or fraud.
- 13 **RECORDS**
- 13.1 Subject to these Terms, CBH records shall be prima facie correct.
- 14 **DISPUTES**
- 14.1 Receival Quality Disputes
- 14.1.1 **You** agree:
- (a) to comply with the dispute resolution processes in relation to the assessment of Grain tendered for delivery at a CBH Site as are specified in clause 14.1.2;
- (b) that if there is any disagreement over the assessment of Grain tendered for delivery that **You** will select one of the methods specified in clause 14.1.2 (if relevant); and
- (c) to be bound by both the process and the end result of the process.
- 14.1.2 Assessment Verification Methods
- (a) Infratec Re-assessment – this method involves re-performing the Infratec assessment and is only available if **You** dispute the result produced by the use of an Infratec machine at the Site and that result:
- (i) is within 0.2% of the target grade; or
- (ii) in the case of colour is within 1 whole graduation of the colour target.
- The Infratec re-assessment must be performed using grain from the initial sample bucket and, subject to the method in clause 14.1.2(d), will be final for all parameters assessed by the Infratec (ie any previous Infratec parameter measurement will be discarded). The Delivery will then be graded in accordance with the re-assessed results.
- (b) Average System – this method involves a dispute over a defect identified by a sampler and is not available for results provided by the Infratec, Electronic balance, Agtator, Aerovac, Falling Numbers or any other objective assessment. The undisputed results from the first assessment are kept and the sampler will draw 2 new half litre samples from the initial sample bucket. These two new samples will be checked for the defect in dispute and the results for that defect in each of the three samples will be added together and divided by 3 to give a final result, subject to the method in clause 14.1.2(d).
- (c) Unofficial Dispute – this method involves:
- (i) sending the defect under dispute to either the CBH district office or AGC for a final assessment and this method is not available for results provided by the Infratec, Electronic balance (unless the captured weight is under 0.5 grams), Agtator, Aerovac, Falling Numbers or any other objective assessment;
- (ii) the sampler placing the defect under dispute into a sealed bag which is then placed with the remainder of the half litre sample into a second bag, making sure all other defects removed are returned into the half litre sample contained in the second bag;
- (iii) CBH storing the Delivery as assessed by the CBH sampler and **You** being paid in accordance with the assessment by CBH's relevant district Office or AGC (as the case requires) which result shall be final.
- (d) Official Dispute – this method is available if there is any dispute over an assessment that affects payment provided that **You** have not previously selected the method in clause 14.1.2(c) and involves:
- (i) A new representative sample being drawn from the truck in **Your** presence and the sample being divided into 3 equal sub-samples;
- (ii) **You** sending one sub-sample to the WA Department of Agriculture and Food together with payment for the relevant charge;
- (iii) CBH storing the Delivery as assessed by CBH's sampler and **You** being paid as assessed by the WA Department of Agriculture and Food which result shall be final.
- 14.2 Post Harvest Dispute
- 14.2.1 This method is available if there is any dispute over an assessment that is performed post delivery on samples of **Your** Grain retained by CBH.
- 14.2.2 If CBH performs a post harvest assessment of the quality of Grain delivered on your behalf, and that assessment would expose you to pay additional Charges, CBH will inform you of the results of that testing and the potential additional Charges.
- 14.2.3 If **You** disagree with an assessment as to Grain quality performed post harvest, you must advise CBH in writing in accordance with clauses 14.3.1(a) and 14.3.1(c).
- 14.2.4 Upon receiving your Dispute Notice, CBH will, if it has not already done so, send off any remaining sample of **Your** Grain to be re-tested, and inform **You** of the results of that testing.
- 14.2.5 If the results of retesting performed on the sample of **Your** Grain do not support the imposition of the relevant Charge in respect of the load being disputed, then CBH will waive the Charge.
- 14.3 Disputes over these Terms / Charges / etc
- 14.3.1 If **You** have any dispute over the performance of any of CBH's obligations under these Terms, **You** agree that:
- (a) **You** will not commence any litigation against CBH without first complying with this clause 14.3 and providing CBH with not less than 30 Business Days' notice from the date that CBH receives the Dispute Notice to resolve the matter;
- (b) **You** will provide CBH with written notice of the dispute (a "**Dispute Notice**"), within 10 Business Days of the facts giving rise to the dispute or in the case of invoiced services, before the due date of the invoice;
- (c) **Your** Dispute Notice must set out sufficient details, including **Your** grower number, the date, time, location and nature of the disputed conduct, that are reasonably necessary to allow CBH to investigate **Your** allegations;
- (d) If **You** fail to provide a Dispute Notice within the time limits set out in 14.3.1(b) CBH will be deemed to have performed the relevant obligation in accordance with these Terms.
- 14.3.2 All Dispute Notices shall be sent to the CBH Grower Service Centre:
- (a) **By post** – Level 6, 240 St Georges Terrace, Perth, Western Australia 6000 and shall be deemed to be received on the day which is 10 Business Days after posting; or

- 16.2 Suspension of Grain Entitlement
- 16.2.1 If **You** have an outstanding CBH Group Debt, CBH may in its sole discretion, and in addition to any other rights it may have under these Terms or at law, and without prior notice to **You**, elect to suspend an amount of **Your** Grain Entitlement

- (b) **Your** Estimated Fees for the current Season.

16.2.2 CBH will notify **You** in writing within seven (7) Business Days after it elects to suspend **Your** Grain Entitlement.

16.3.4 CBH will sell the Set-off Grain to CBH Grain on the next Business Day following the expiration of the Debt Recovery Period at the price at which CBH Grain (or another CBH Group Entity as nominated by CBH) is purchasing grain of the same type and quality on that day or, if no such grain is purchased on that day, the price at which CBH Grain determines that it could purchase such grain on that day;

16.3.5 The value of the Set-off Grain sold by CBH will be applied by way of set-off against **Your** CBH Group Debt;

16.3.6 It is acknowledged that the procedure set out in this clause 16.3 may occur through one or a series of transactions;

16.3.7 CBH will notify **You** whenever a set-off has been made; and

16.3.8 If any sale of Set-off Grain and set-off effected under the provisions of this clause 16.3 is subsequently avoided or conceded to be void or voidable under any laws relating to insolvency or the protection of creditors for any other reason, that payment shall be deemed not to have discharged **Your** liability to the relevant CBH Group Entity in respect of the CBH Group Debt (notwithstanding any release or discharge given by that CBH Group Entity or deemed under this clause 16.3) and the parties shall be restored to the position in which they respectively would have been put but for the Grain acquisition and set-off and shall be entitled to exercise all such rights and be subject to the liabilities which they respectively would have had if the payment had not been made.

17.2.2 CBH will, for **Your** convenience, split the invoice amongst such other persons in such other proportions as **You** request in writing to CBH; but

17.6.4 All charges in these Terms are expressed exclusive of GST.

#### 17.7 Payment terms

17.7.1 If credit terms are made available by CBH at its discretion, then **You** must pay the amount set out in any invoice provided by CBH in accordance with the credit terms, without set-off or counterclaim.

17.7.2 CBH may, in its absolute discretion, suspend the provision of the Services (including credit) if **You** fail to pay an invoice in accordance with clauses 17.6 and 17.7. - 18.1.2 Terms defined in the GST Legislation have the same meaning in this clause 18 unless provided otherwise.

## 18.2 GST pass on

If GST is or will be imposed on a supply made under or in connection with these Terms, the supplier may, to the extent that the consideration otherwise provided for that supply under these Terms is not stated to include an amount in respect of GST on the supply:

- 18.2.1 increase the consideration otherwise provided for that supply under these Terms by the amount of that GST; or  
18.2.2 otherwise recover from the recipient the amount of that GST.

## 18.3 Tax Invoices/Adjustment Notes

The right of the supplier to recover any amount in respect of GST under these Terms on a supply is subject to the issuing of the relevant Tax Invoice or Adjustment Note to the recipient. Subject to any other provision of these Terms, the recipient must pay any amount in respect of GST within 14 days of the issuing of the relevant Tax Invoice or Adjustment Note to the recipient.

## 18.4 Recipient Created Tax Invoice

Subject to a Recipient Created Tax Invoice (RCTI) Agreement being in place between CBH and **You**, CBH will issue:

18.4.2 If **You** have provided a valid ABN but are not registered for GST: a payment advice setting out the amount paid to **You** excluding GST; or  
18.4.3 If **You** have not provided a valid ABN: a payment advice setting out the amount paid to **You** excluding GST and subject to any withholding tax in accordance with clause 18.7.

## 18.5 Later adjustment to price or GST

If there is an adjustment event in relation to a supply which results in the amount of GST on a supply being different from the amount in respect of GST recovered by the supplier, as appropriate, the supplier:

- 18.5.1 may recover from the recipient the amount by which the amount of GST on the supply exceeds the amount recovered; or  
18.5.2 must refund to the recipient the amount by which the amount recovered exceeds the amount of GST on the supply.

## 18.6 Reimbursements

Costs required to be reimbursed or indemnified under these Terms must exclude any amount in respect of GST included in the costs for which an entitlement arises to claim an input tax credit.

## 18.7 Withholding Tax

If **You**:

- 18.7.1 do not have an ABN or do not provide a valid ABN to CBH; and  
18.7.2 do not provide an executed Statement by a supplier form to CBH,

CBH may be required to withhold 46.5% (or such rate as is prevailing at the time) of the gross supply value by the Australian Taxation Office.

19.1.3 Unless **You** notify CBH within 72 hours of Outturn of Grain of any shortfall in quality or Contamination CBH shall be deemed to have complied with its Outturn obligation.

19.1.4 **You** or the Acquirer will not be entitled to any Loss or Damage or to enforce any remedy in the event of a shortfall in **Your** Grain Entitlement caused by an event of Force Majeure.

## 19.2 Damage for Gross Negligence or Wilful Misconduct

Other than as set out in clause 19.1 and in clause 19.7 and subject always to clauses 19.3, 19.4 and 19.8, CBH will only be liable for any Loss or Damage in relation to a shortfall in **Your** Grain Entitlement or any defects, including a variation in quality or Contamination, in **Your** Grain Entitlement or otherwise in relation to the provision of the Services, which is caused by the Gross Negligence or Wilful Misconduct of CBH, its officers, employees or contractors.

## 19.4 Limitation of Grain Loss and Damage

Except as provided for in clauses 19.1, 19.2 and 19.7, CBH will not be liable or responsible for any Loss or Damage (including Indirect or Consequential Loss) to the Grain resulting from:

- 19.4.1 any variation in the quality of the Grain resulting from:
- (a) the natural deterioration of Grain over time;
  - (b) the effects of the normal handling process on the Grain held at, or transported within or between Sites; or
  - (c) variations within the generally accepted standard deviation error of Grain sampling equipment, between the time of sampling under clause 5.4 ("Sampling") and Outturning taking into account the accuracy of the equipment or method.
- 19.4.2 the presence of grain defects and contaminants listed with a nil tolerance in the Receival Standards where:
- (a) the detection of defects and Contaminants is at levels of 0.05% or less by weight;
  - (b) the detection of defects and Contaminants would not be capable of being detected through a reasonably diligent application of the Receival Standard and CBH's standard sampling procedures; or

- 19.5.3 delays in respect of the provision of information by CBH to **You** pursuant to clause 6.4.2 ("Grain Entitlement"),

and such delay causes any shortfall in **Your** Grain Entitlement, then CBH's liability will only extend to the remedies provided in clause 19.1.2. CBH will not be liable for any other Loss or Damage caused by such delays.

## 19.6 Contribution to loss

Where any express or implied term of these Terms places on any

Party (in this clause 19.6 "Party A") any duty of care the breach of which would, if the duty of care were imposed by the general law rather than by such express or implied term, constitute an actionable tort against any other Party (in this clause "Party B"):

19.6.1 Party B has an obligation not to commit any negligent act or omission which contributes to any Loss or Damage it suffers or may suffer as a result by any breach by Party A of such express or implied terms; and

19.6.2 the liability of Party A for any such breach is limited to the direct and proximate Loss or Damage of Party B arising out of such breach, less the proportion of such Loss or Damage attributable to any breach by Party B of its obligations under clause 19.6.1.

The obligations imposed on a Party in this clause 19.6 in relation to any breach by Party A of the kind the subject to this clause are additional to, and not in derogation of, any obligation of Party B to mitigate its Loss or Damage in relation to such breach.

#### 19.7 Conditional exclusion of Statutory Liability

These Terms exclude to the maximum extent permitted by law any warranty or condition implied by common law, practice or statute. However in the case of those warranties under statute which may not be excluded, including the *Competition and Consumer Act 2010* (Cth):

19.7.2 CBH's liability for breach of such conditions or warranties shall, to the maximum extent permitted by law, be limited, in the sole discretion of CBH, to the lesser of:

- (a) in the case of Services:
  - (i) the re-supply of the relevant Service; or
  - (ii) the payment of the cost of re-supply of the relevant Service; and

- (b) the repair of the goods;
- (c) the payment of the cost of replacing the goods or of acquiring replacement goods; or
- (d) the payment of the cost of having the goods repaired.

For the purposes of this clause 19.7, "relevant Service" shall mean the Service in relation to the quantity of affected Grain only and does not mean the aggregate value of every relevant Service provided to You.

#### 19.8 No Indirect or Consequential Loss

Notwithstanding anything else in these Terms, CBH will not be liable to You for any Indirect or Consequential Loss arising out of or in relation to the provision of Services by CBH pursuant to these Terms. CBH does not represent, warrant or guarantee that any Grain received, acquired or Outturned for You:

19.10.1 conforms to any specification as to Varietal Purity;

19.10.2 is free from the presence, at any level or concentration, of Pesticide Residue Contamination, Corynetoxins Contamination, Microbial Contamination, Heavy Metal Contamination, or Natural Toxicant Contamination; or

19.10.3 is free from the presence, at any level or concentration, of Genetically Modified Organisms.

#### 19.11 Exclusion Clauses

Notwithstanding anything expressed in or implied by these Terms, to the extent permitted by law CBH will not be liable to You for any and all Loss or Damage caused by the negligence, breach of contract, breach of statutory duty or any other legal or equitable obligation of CBH, or otherwise howsoever arising in connection with these Terms from:

19.11.1 any variance in any specification as to Varietal Purity from the actual Varietal Purity of Grain received or Outturned for You;

19.11.2 the presence, in any Grain received or Outturned for You, at any level or concentration, of any Pesticide Residue Contamination, Corynetoxins Contamination, Microbial Contamination, Heavy Metal Contamination, or Natural Toxicant Contamination; or
