

2023/24 Grower Freight Rates

Destination Freight Charges for 2023/24, as at 5th Feb 2024

Grower freight rates for the 2023-24 season have now been finalised.

Growers who have nominated their grain between 1st October 2023 and 4th February 2024 will be invoiced freight charges using the finalised 2023-24 freight rates in a February invoice. Nominations after this date will have invoices issued on a monthly basis.

Geraldton, Albany & Esperance Ports have Port Freight Distribution charges, averaging Depot charges and are for Growers ONLY; not Marketers.

Grower Freight Rates are quoted in \$/tonne and exclude GST.
