

POOL PROVIDER DISCLOSURE GUIDE

The CBH Group is an integrated supply chain co-operative owned and controlled by approximately 3,900 Western Australia grain grower member businesses.

We are Australia's largest co-operative and a leader in the Australian grain industry with operations extending along the grain supply chain from storage, handling and transport to marketing, shipping and processing. Our core purpose is to sustainably create and return value to growers.

CBH's Marketing and Trading arm is responsible for managing CBH's pool products on behalf of growers. With a dedicated team of experienced professionals we use sophisticated risk management strategies to maximise returns.

CBH has been at the forefront of activities to support increased transparency and consistency in the Australian pool management industry on behalf of growers. We make available information about how our pools operate to assist growers in making an informed decision on our products. We also provide regular updates to pool participants on performance and strategy as well as historical performance of all our pools.

The following Pool Provider Disclosure Guides contain a summary of our pool products and links to important information.

Is there a potential for conflict between the pool manager and related entities?	Yes	<p>CBH Grain Pty Ltd trades its own balance sheet and operates pools on behalf of growers which gives rise to potential conflicts of interest. To address this:</p> <ul style="list-style-type: none"> • CBH has strict internal controls and policies which are governed by the CBH Board of Directors and monitored by various internal risk and audit committees to ensure our pool products are managed as mandated. • CBH pool products are managed separately to our cash trading activities, with different reporting lines and clear mandates to deliver the best possible outcomes for our pool products. • All pool products are managed as separate seasonal business units, with segregated stock management and a separate general ledger to cash trading activities. • CBH operates different accounts with the respective bulk-handlers for all pool products to ensure pool stocks can be accounted separately to other business operations. • CBH pools are externally audited prior to finalisation.
Are the pool assets owned in a separate entity from the pool manager's assets?	No	<p>When a grower nominates grain to a CBH pool, title transfers to CBH Grain Pty Ltd, a wholly owned subsidiary of CBH Group. CBH Grain Pty Ltd is the custodian of these tonnes, and subsequent equity, until such time as final equity is returned to the grower.</p> <p>See above for comments on how we segregate pool assets from other business activities.</p>
Are the pool activities conducted separately from the pool managers activities?	Yes	See above for comments on how we segregate pool activities and controls from other business activities.
