4. Electing to exercise Your rights under a Swaption

4.1 Rights under a Swaption

- a) Under Your Swaption, You may (but are not obliged to) exercise all or less than all of Your unexercised Notional Amount (provided that Your requested Commodity Amount is equal to or more than the Minimum Exercise Amount, but less than or equal to any unexercised sub-limit if any (as specified in Swaption Offer Letter)) on one or more days in the Exercise Period in accordance with clause 4.2. The sub-limit (if applicable) represents the maximum Commodity Amount which can be exercised under the Swaption for a given commodity for a given season.
- b) You may exercise Your Swaption multiple times over the life of the Swaption, up to the amount of Your total Notional Amount. Each time You exercise the Swaption, a Reference Swap is determined in respect of the relevant Commodity

Amount by reference to which payment obligations due under the Swaption are calculated.

- c) Your right to exercise Your Swaption is conditional upon a Knock-out Event not having occurred and continuing as of the time of such exercise, as determined by CBH.

4.2 Exercising Your Swaption

- a) If You wish to exercise Your Swaption, You must indicate this to CBH Grain during a telephone call with Your Swaption Representative (which may be recorded) during the Exercise Period.

 - i) Commodity Amount;
 - ii) commodity type; and
 - iii) the month which is to be used for the purposes of determining key events upon exercise of the Swaption Contract (**Contract Month**).

- f) Within one Business Day of receiving the Reference Swap Confirmation, You must:
 - i) acknowledge that the Reference Swap Confirmation is correct by signing a copy and delivering it to CBH Grain, or using any other method of acknowledgement that has been agreed in writing between You and CBH Grain; or
 - ii) notify CBH Grain in writing that You believe that the details of the Reference Swap are not correctly set out in the Reference Swap Confirmation.
- g) The Reference Swap Confirmation will be deemed to correctly set out the details of that Reference Swap unless You have notified CBH Grain in accordance with clause 4(h)(ii) of any error You believe the Reference Swap Confirmation contains and the Reference Swap Confirmation does in fact contain that error.
- h) Once You confirm Your acceptance of the Fixed Price provided by CBH Grain under c), the exercise of the Swaption in accordance with those details is irrevocable and unconditional. This is not conditional on:
 - i) the issuance of a Reference Swap Confirmation;
 - ii) Your receipt of a Reference Swap Confirmation; or

- iii) Your acknowledgment or deemed acknowledgment that the Reference Swap Confirmation is correct in accordance with clause 4.2(f).

Accordingly, Your failure to receive or acknowledge that the Reference Swap Confirmation is correct does not invalidate or otherwise prejudice the determination of a Reference Swap.

5. Payments under exercise of a Swaption

5.1 Standard settlement

Unless clauses 5.2 or 5.3 apply, in respect of each Reference Swap determined upon the exercise of Your Swaption, an amount equal to the Cash Settlement Amount (expressed as a positive amount) will be calculated on the Calculation Date. The Cash Settlement Amount is calculated in accordance with the following formula:

$$\text{Cash Settlement Amount} = (\text{Fixed Price} - \text{CRP as of the Calculation Date}) \times \text{Commodity Amount}$$

5.2 Bringing forward the Calculation Date

- a) CBH will bring forward the Calculation Date in respect of a particular Reference Swap to the Early Calculation Date if:
 - i) You ask to change the Calculation Date for that Reference Swap by notifying Your Swaptions representative on free-call 1800 199 083 and You accept the Early Closure Price (determined by CBH Grain acting reasonably) that CBH Grain provides to You in respect of that Early Calculation Date, or You elect to do so in the event of a Default Event or if a right to terminate otherwise arises under any provision of the Swaption Contract in which case CBH Grain will notify You of the Early Closure Price (determined by CBH acting reasonably) that CBH will provide to You in respect of that Early Calculation Date; or
 - ii) CBH Grain elects to do so having regard to its analysis of legal or credit risk management purposes in connection with the relevant Reference Swap, or in the event of a Default Event or if a right to terminate otherwise arises under any provision of the Swaption Contract in which case CBH Grain will notify You of the Early Closure Price (determined by CBH acting reasonably) that CBH will provide to You in respect of that Early Calculation Date.
- b) If clause 5.2(a) applies, the Cash Settlement Amount is calculated in accordance with the following formula:

$$\text{Cash Settlement Amount} = (\text{Fixed Price} - \text{Early Closure Price}) \times \text{Commodity Amount}$$

5.3 Bringing forward the Payment Date

If the Calculation Date of a particular Reference Swap is, or is proposed to be, brought forward to the Early Calculation Date in accordance with clause 5.2, You or CBH Grain may also request an Early Payment Date, in which case an amount equal to the Cash Settlement Amount (expressed as a positive amount) will be due and payable on the Early Payment Date. The Cash Settlement Amount will be calculated in accordance with the following formula:

$$\text{Cash Settlement Amount} = [(\text{Fixed Price} - \text{Early Closure Price}) \times \text{Commodity Amount}] + \text{Discount}$$

For example, if CBH Grain brings forward the Calculation Date (either as a result of You asking to change the Calculation Date or CBH Grain electing to do so), then CBH Grain may request an Early Payment Date.

5.4 Payments

- a) If the Cash Settlement Amount is a positive amount, then by the Payment Date or Early Payment Date (as applicable) CBH Grain will credit an account held in Your name with an amount equal to the Cash Settlement Amount. If the Cash Settlement Amount is a negative amount, then CBH Grain will issue to You an invoice for an amount equal to the Cash Settlement Amount (expressed as a positive amount), and by the Payment Date or Early Payment Date (as applicable) that amount must be paid by You to CBH Grain.
- b) Any payment to be made by You under the Swaption contract or otherwise must be made and received by CBH Grain in cleared and immediately available funds, free and clear of taxes and without any set off or deduction.
- c) If You have provided authority to CBH Grain to directly debit any bank account held by You, CBH Grain will apply such authority to settle the payable amount.
- d) Without limiting clause 5.4(f), CBH Grain's obligation to make a payment to You under a Swaption on a date is conditional on CBH Grain receiving payment in cleared and immediately available funds of all amounts which are payable by You to CBH Grain on or before that date.
- e) Prior to the settlement of payment obligations under a Swaption where CBH Grain is required to make a payment, You must provide your settlement instructions to CBH Grain, including details of any accounts to which the payment is to be made. If You fail to provide this information CBH Grain may, at its discretion, take such action as it considers appropriate in the circumstances, including as set out in clause 5.2(a)(ii). This may result in a loss to You.
- f) Each of Your and CBH Grain's obligations to make a payment or perform an obligation referred to in clause 5.4(d) is subject to the condition precedent that no Default Event (as defined in clause 6.1(a)) has occurred and is continuing in respect of the other party or would occur with the lapse of time or giving of notice.

- g) If, at any time, CBH Grain determines that the performance of any of its obligations under the Swaption Contract is, will be, or may be, impracticable, impossible or illegal for any reason (including due to an inability to convert a currency, or make payments or transfers in a currency or in a place or an inability to make a calculation or determination needed for the performance of an obligation) then CBH Grain may, by notice to You, do any of the following as it chooses:
 - i) postpone the date for the performance of the obligations affected until such date as it determines that they are no longer impracticable, impossible or illegal;
 - ii) change the terms of the Reference Swap or Swaption Contract to other terms which CBH Grain believes are economically equivalent and the performance of which is not impracticable, illegal or impossible; or
 - iii) bring forward the Calculation Date in respect of any Reference Swap affected so that clause 5.2(a)(ii) applies to that Reference Swap.

CBH Grain may choose to do any, or none, of these in its sole discretion. Also, at any time CBH Grain may choose to terminate under clause 5.4(g)(iii), even if it has already chosen postponement or a change of terms under clause 5.4(g)(i) or (ii) respectively. Nothing in this clause 5.4(g) limits any other rights of CBH Grain under the Swaption Contract or otherwise at law.

5.5 Late Payment

- a) Without limiting any of CBH Grain's other rights (whether under the Swaption Contract or otherwise), if CBH Grain has not received Your payment in respect of a Reference Swap on the date on which the payment is due or has not received Your settlement instruction before a payment to You is due under the Swaption Contract, CBH Grain may (but is not obliged to) choose to, by notice to You, bring forward the Calculation Date in respect of the Reference Swap so that clause 5.2(a)(ii) applies to it.
- b) If You fail to pay any amount to CBH Grain in full required under the Swaption Contract by the due date, CBH Grain may charge interest on the unpaid amount at the Interest Rate calculated daily from the due date until payment is received by CBH Grain. You must pay interest under this clause 5.5(b) on demand from CBH Grain.

5.6 Right of set off

- a) Any amounts owing by CBH Grain or any of its Related Bodies Corporate to You, whether under the Swaption Contract or otherwise, may at CBH Grain's election be set off against any amounts owing by You to CBH Grain or any of its Related Bodies Corporate, whether under the Swaption Contract or otherwise.
- b) CBH Grain holds the benefit of this clause 5.6 and may exercise the rights under this clause 5.6 on its own behalf and for and on behalf of its Related Bodies Corporate, but nothing in this clause obliges such Related Bodies Corporate to

perform any of its obligations under the Swaption Contract.

5.7 Withholding funds

If You have a potential liability to CBH Grain or any of its Related Bodies Corporate under any other contract, then CBH Grain may in its discretion and notwithstanding any other provision of the Swaption Contract retain an amount equivalent to your potential liability until such time as Your potential liability has either:

- a) crystallised and been paid; or
- b) ceased to exist.

5.8 Overpayment

If, after payment to You of any amount by CBH Grain in connection with the Swaption Contract, CBH Grain decides that for any reason You had no right to some or all of that amount (including where You are overpaid) then, despite any other provision of the Swaption Contract, CBH Grain may recover from You that amount plus interest on that amount at the Interest Rate at that time, calculated daily from the date that the amount is paid or advanced until (but not including) the date upon which the amount is repaid.

5.9 Credit Limit

If at any time You exceed your Credit Limit, CBH Grain may, by written notice to You and in its sole discretion, bring forward the Calculation Date in respect of any Reference Swap so that clause 5.2(a)(ii) applies to that Reference Swap.

5.10 Fees, costs and other expenses

You must pay CBH Grain on demand CBH Grain's fees, charges and expenses in connection with the Swaption Contract as notified to you from time to time by CBH Grain. You must pay CBH Grain for costs and expenses in enforcing or taking any other action in connection with CBH Grain's rights if CBH Grain becomes entitled to take action under the Swaption Contract.

5.11 Early Close Out Advice

- a) If a Calculation Date or Payment Date is brought forward under this clause 5, CBH Grain will send You an Early Close Out Advice.
- b) Within one Business Day of receiving the Early Close Out Advice, You must:
 - i) acknowledge that the Early Close Out Advice is correct by signing a copy and delivering it to CBH Grain, or using any other method of acknowledgement that has been agreed in writing between You and CBH Grain; or
 - ii) notify CBH Grain in writing that You believe that the details of the change to the Calculation Date or Payment Date are not correctly set out in the Early Close Out Advice.
- c) The Early Close Out Advice will be deemed to correctly set out the details of the relevant payment obligation unless You have notified CBH Grain in accordance with clause 5.11(b)(ii) of any error You believe the Early Close Out Advice

contains and the Early Close Out Advice does in fact contain that error.

- d) Once a change to the Calculation Date or Payment Date occurs in accordance with these Swaption General Terms, the change is irrevocable and unconditional. This is not conditional on:
 - i) the issuance of an Early Close Out Advice;
 - ii) Your receipt of an Early Close Out Advice; or
 - iii) Your acknowledgment or deemed acknowledgment that the Early Close Out Advice is correct in accordance with clause 5.11(c).

Accordingly, Your failure to receive or acknowledge that the Early Close Out Advice is correct does not invalidate or otherwise prejudice the change to the Calculation Date or Payment Date.

6. Default

6.1 Events of Default

- a) A party is in default if:
 - i) the party fails to pay on time any money payable to the other party under the Swaption Contract and the failure to pay is not rectified for a period of 1 Business Day after notice of the failure is given to the party;

All notices, requests, demands and other communications under or in connection with the Swaption Contract must be in writing, and must be given to the parties at their address or facsimile number or email address shown on the Swaption Offer Letter or as otherwise notified (unless the Swaption Contract expressly provides otherwise). A notice sent by mail is deemed to have been given three Business Days after being sent in a properly addressed pre-paid envelope.
