

Creating a new Sample SLA Request

Set Up Information

To create a new Service Level Agreement with AGC Laboratory for the purposes of collecting, dispatching and/or analysing samples, Marketers will need to ensure they have a LoadNet for Marketers login.

Marketers will also need to ensure they are set up as an AGC Customer, requests for work will not be possible from the AGC Laboratory until AGC Customer role type has been added to requesting entity.

For all enquiries regarding set up, please email customersupport@cbh.com.au.

Adding a new Sample SLA Request

Ensure **Stock Enquiries** is selected and navigate to the **Sample Requests** tab.

The screenshot shows the 'Sample SLA Requests' form in a web application. The navigation bar at the top includes 'Stock Enquiries' (highlighted in green), 'Log Out', and other tabs like 'Marketer Home Page', 'Stock', 'Load Enquiry', 'Non Grower Receipts', 'Quality', 'Sample Requests' (highlighted in yellow), 'Marketer Preferences', and 'Un-nominated Load Summary'. The form contains the following fields:

- Customer ID: CBH Group - 20267894 (dropdown)
- Status: (dropdown)
- Contact: Jane DOE
- Active Requests Only:
- Address: 30 Delhi Street, WEST PERTH, ABN #: 39089394883
- Postcode: 6005
- GST Regd: Y
- Button: Add a new request

The **Customer ID** dropdown will contain the Marketing entity to which the LoadNet account has authority access linked to. If the Marketing entity has multiple selections to choose from, they will be shown in dropdown. Click **Add a new request** if the correct entity has been selected.

This screenshot is identical to the previous one, but with the 'Customer ID' dropdown menu highlighted in red and the 'Add a new request' button highlighted in yellow.
